Agnes Ayres, movie star, wears autographed hosiery, a new fad. The signature is carefully copied in embroidery.

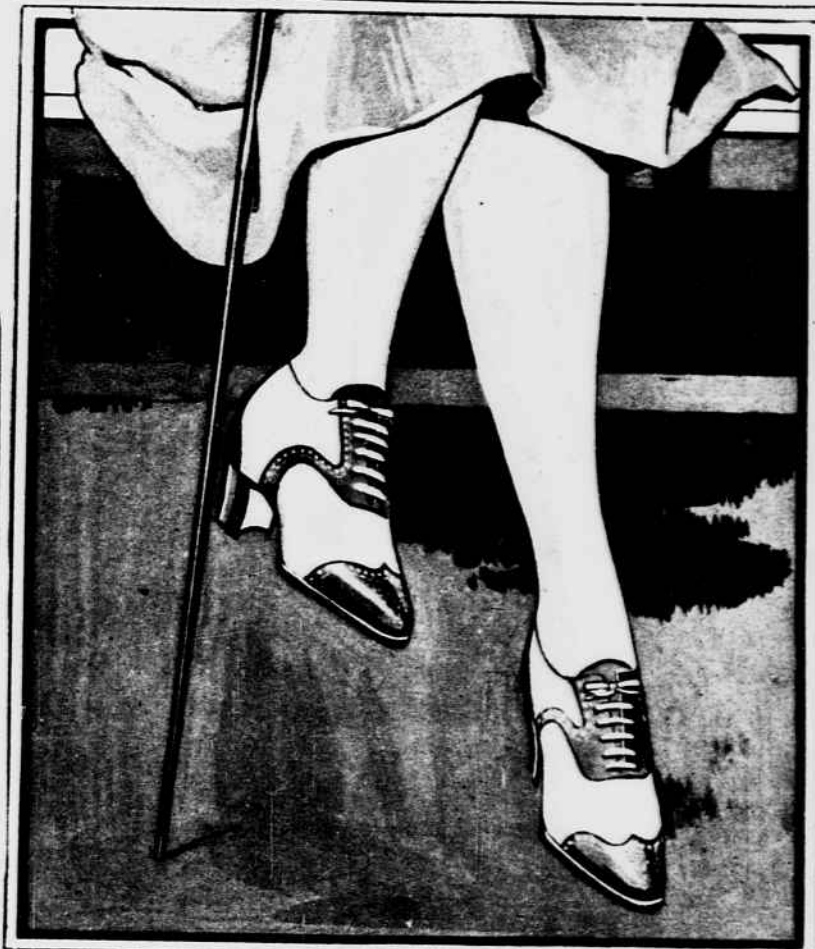

A memorial to the unknown soldier of the civil war, located just inside the District line near Silver Spring, Md. It is a memorial, little known, to the unknown fighters who fell in the attack on Washington.

They called Jim Bridger a liar when he told the world of the wonders of Yellowstone Park, yet the old frontier scout and Indian fighter related again and again his odd story. Now, the golden anniversary of the great playground is being celebrated. Photo shows grave of Bridger at Kansas City, Mo.
